## Disclaimer

Retirement Funds are long term investments. The value of investments may go down as well as up and past performance is not necessarily a guide to future performance. A schedule of fees and charges and maximum commissions is available from the administration company on request. Commission and incentives may be paid and if so, would be included in the overall costs. Figures quoted are for the period ending 30 June 2026. Fluctuations or movements in exchange rates may cause the value of underlying international investments to go up or down. Annualised return represent the compound growth rate of the fund over the respective period and calculated in accordance with Global Investment Performance Standards. The Fund does not provide any guarantee with respect to capital or the return of a portfolio. Performance is calculated for the portfolio, individual investor performance may differ as a result of initial fees, the actual investment date, the date of reinvestment and DWT. Investment performance is for illustrative purposes only, is calculated by taking the actual initial fees and all ongoing fees into account for the amount shown. Income is reinvested on the reinvestment date. For a full disclosure on performance fees FAQs visit [www.oasiscrest.com](http://www.oasiscrest.com).
